

User Stories

1. As a new user, I want to be able to create an account
2. As a logged-out user, I want to be able to login.
3. As a logged-out user, I want to be able to scroll through food items
 - a. May or may not force users to sign in in order to use site/app in future
4. As a logged-out user, I want to be able to sort or unsort the food items by a specific city, rating, or restaurant
5. As a logged-in user, I want to be able to “like” another user’s photo (that I have not already liked)
6. As a logged-in user, I want to be able to add a rating out of 5 for a restaurant dish
7. As a logged-in user, I want to be able to upload my own photo and rating for a restaurant dish
